

NICK DAWSON

VP Sales | Head of Sales | Chief Sales Officer (CSO) | Chief Revenue Officer (CRO)

Berlin, Germany | nckdwn@protonmail.com | +49 162 3850294 | [LinkedIn Profile](#)

Languages: English (Native), French (Native), German (Business Proficient)

EXECUTIVE PROFILE

Transformational sales executive with over 20 years of experience driving hyper-growth for B2B SaaS and cybersecurity organizations. Expert at scaling revenue from **zero to €230M ARR** and building global sales engines of **200+ professionals** across three continents. Proven track record in navigating high-stakes, regulated environments (Government, Finance, Defense) and forging tier-1 global alliances with Google, Microsoft, and IBM. A strategic leader who bridges technical product engineering with aggressive revenue targets to dominate emerging markets.

CORE COMPETENCIES

Strategic Sales & Revenue Leadership

- **Global GTM Strategy:** Architecting market-entry playbooks for North America, EMEA, and APAC; specialist in the "0 to 1" and "1 to 100" phases of SaaS growth.
- **Revenue Operations (RevOps):** Expertise in 100% CAGR environments, pipeline hygiene, forecasting accuracy, and compensation design.
- **Sales Methodology:** Expert implementation of MEDDIC, Challenger, and Value-Based Selling frameworks.
- **Multi-Channel Orchestration:** Building high-performing hybrid organizations encompassing Direct Sales, Channel/Alliances, SDR/BDR, and Customer Success.

Partnership, Ecosystem & Growth Strategy

- **Strategic Alliances & JVs:** Forging co-sell and OEM agreements with global hyperscalers (Google, Microsoft, AWS) and managing joint ventures.
- **Channel Ecosystem Development:** Developing tiered partner programs for System Integrators (SIs), MSPs, VARs, and mobile operators.
- **M&A & Venture Advisory:** Providing strategic oversight for funding rounds, post-merger sales integration, and exit readiness.
- **Product-Led Growth (PLG):** Aligning engineering roadmaps with market demand through feature prioritization and product-market fit analysis.

Executive Leadership & Strategic Communication

- **Stakeholder Management:** Delivering monthly and quarterly business unit briefings to C-suite executives and Boards of Directors to secure multi-million euro investments.
- **Public Presence & Thought Leadership:** Media-trained keynote speaker at major conferences (CES, MWC, RSA) on cybersecurity, AI, and enterprise strategy.

- **Analyst Relations:** Managing quarterly briefings with Gartner, Forrester, and IDC to secure "Leader" status in industry reports.
- **Coaching & Mentorship:** Developing leadership pipelines; have mentored dozens of sales professionals into VP and Director-level roles.

Operational Excellence & Technical Acumen

- **Cybersecurity & Compliance:** Deep knowledge of EDR, XDR, Zero Trust, and regulatory frameworks (GDPR, FedRAMP, HIPAA, SOC2).
- **AI Strategy & Digital Transformation:** Leveraging AI as a research and optimization tool to reduce sales cycle friction and improve targeting.
- **Cross-Functional Leadership:** Orchestrating integrated teams across Pre-sales, Engineering, Marketing, and Customer Support.

PROFESSIONAL EXPERIENCE

nextphase partners | Berlin, Germany
Chief Growth Officer | June 2023 – Present

Architecting European expansion and GTM strategies for mid-to-late-stage technology firms. Providing fractional CRO services, including sales tech-stack optimization and regional talent acquisition. Sample completed engagements:

- **Head of Business Development | LG CNS** (February 2024 – December 2024)
 - Defined and executed the inaugural GTM strategy for the B2B software portfolio in North and South America.
 - **Metric:** Secured first regional contracts within 8 months, **reducing traditional time-to-market by 40%.**
 - Established regional sales operations, legal frameworks, and tier-1 System Integrator (SI) partnerships.
- **Executive Growth Consultant | Worldia** (June 2023 – December 2023)
 - **Metric:** Served as strategic advisor during a **€25M Series B** funding round, focusing on revenue predictability.
 - Developed a B2B2C revenue model and partnership strategy to diversify revenue streams.

Samsung Electronics Co. Ltd. | Seoul, South Korea & London, UK
Global Head of B2B Solutions Strategy & Sales | May 2014 – May 2023

- **Hyper-Growth Revenue:** Scaled the Samsung Knox B2B SaaS business unit from a conceptual startup phase to **€230M ARR**, maintaining a **100% CAGR.**
- **Market Expansion:** Grew the customer base from 3 initial pilot organizations to **20,000+ active enterprise and government customers** globally.

- **Global Leadership:** Built and directed a global organization of **20+ senior leaders** and **200+ direct account executives**, scaling total headcount to **250+ professionals**.
- **Large-Scale Enterprise Wins:**
 - Executive sponsor for a **€350M contract** for a 750,000-user deployment in a highly regulated public sector environment.
 - Secured a **€325M government contract** for 1.3M users, navigating complex international security requirements.
- **Ecosystem Alliances:** Negotiated and managed strategic partnerships with **Google (Android Enterprise)**, **Microsoft**, **IBM**, and others creating natively integrated solutions that became industry standards.
- **Market Positioning:** Directly influenced Samsung's placement as a "Leader" in mobile security by Gartner for six consecutive years through proactive analyst engagement.

BlackBerry Ltd. | Toronto, Canada & New York, USA

Senior Director, Enterprise & Government Sales | May 2005 – April 2014

- **Sales Performance:** Delivered **27 consecutive quarters of 100%+** sales quota attainment.
- **Revenue Multiplication:** Achieved **12x sales growth** over a nine-year tenure, transitioning from an individual contributor to a Senior Director.
- **Team Scaling:** Scaled the North American enterprise and government sales team from 4 to **20+ high-performing account executives**.

TECHNICAL SKILLS & ECOSYSTEMS

- **Platforms:** Salesforce (Expert), Clari, Gong, LinkedIn Sales Navigator, Outreach, and AI-driven prospecting tools.
- **Domains:** Cybersecurity, Enterprise SaaS, AI and ML applications, Enterprise IoT, Mobile Threat Defense (MTD), Identity & Access Management (IAM), Endpoint Management, Cloud Security (Azure/AWS/GCP), API Ecosystems.
- **Compliance:** GDPR, FedRAMP, HIPAA, SOX.
